MERSEN'S PRODUCT RECOGNITION APP

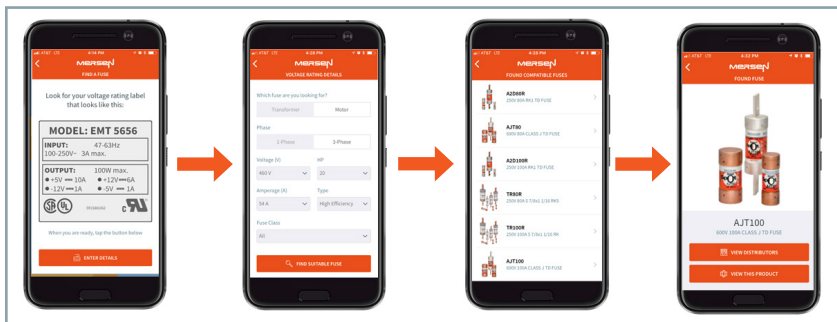

Mersen's App lets you:

- Search for a product via:
 - Photo
 - Text
- Identify Mersen and competitive products
- Locate Sales Reps
- Use motor and transformer tables to look up products

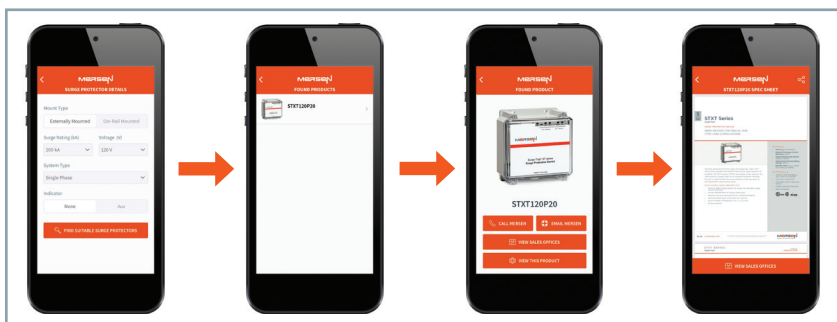

Mersen's Product Recognition App is available for download from the App Store or Google Play.

Identify Fuse by Photo: Use your mobile device to scan the fuse you would like to identify. Mersen's Product Recognition App will suggest a match based on your photo.

Motor/Transformer Lookup: Enter voltage rating details into the easy to use template and Mersen will find a suitable fuse.

NEW: Surge Protector Lookup: Enter few easy search criteria (Mount Type, System Voltage/Type and Surge Current Rating) and Mersen will find a suitable protective device
